DEDICATION

THE CORBINS

"Miss Addie" "Mr. Fred"

Mr. and Mrs. Fred Corbin have been married for 66 years. He is 86 years old, she is 84. They have 6 sons - Harry, Fredrick, Max, Kenneth, Bobby Joe, David - and one daughter, Mae, who is deceased. Thinking back on the past of Macon Association, they have pleasant and happy memories of many meetings attended and many blessings received.

Anyone who has been a Macon Baptist for any number of years can remember a familiar sight, Mr. Fred and Miss Addie at the annual meeting. He thinks they were messengers for 30 or more years, almost consecutively. Though not real sure, they may have been messengers for 40 years. She remembers when all the family would go. It was two whole days and you took dinner both days. He remembers going his first time in a wagon to the Franklin First Church as a very young child. Specific places and exact dates slip past clear remembrance. But one thing is clear, they loved the annual gathering and feel it is an important part of the Baptist year.

Mr. and Mrs. Corbin are charter members of the Higdonville Baptist Church. Their love for God and His church has been evident in their work there down through the years. Mr. Fred served in many capacities in the associational work. He helped on committees in all departments, was associational Sunday School Superintendent and served as moderator in 1966. He mentions the changes that have taken place as the years go by, many helpful and good. He urges that Baptists must remain steadfast to sound doctrine and not compromise in today's changing world.

In appreciation for their faithfulness and commitment to something they felt worthwhile and for the example they have shown in all their Christian walk, we proudly dedicate this 1990 Annual to Mr. and Mrs. Fred Corbin.

In Memoriam

Clyde Calvin Drake & Patricia Stiles Drake

Clyde was a charter member of Longview Baptist Church, and very much involved in establishing the church. Pat became a member at Longview soon after moving to Franklin. There they met, and were married on January 20, 1951, and were life-long members.

Serving their Lord always came first, and when they had children, they raised them in the church. They had three sons: Philip, Tommy, and Warren; two daughters: Millie Frady and Faith Raby; and eight grandchildren.

During their lives they served in many capacities in the church and community. They worked together in the tax and accounting business they started in the 1950's. Pat served as Sunday School teacher, GA leader, WMU officer, VBS director, Christmas program director, among other activities, and in the community, was a Boy Scout and Girl Scout leader. Clyde served as Deacon, and chairman of the board, as well as Sunday School teacher, and member of numerous committees, and for a number of years on the Board of Directors of Northwestern and First Citizens Banks.

Although Clyde spent all of his life on crutches or in a wheelchair, those of us who knew him never considered him handicapped. The two of them, when they were married, really "became one". They complimented each other so well, as they worked together to raise a family and serve their Lord. Rarely was one seen without the other. And until their health began failing, rarely were the church doors open that they weren't there.

Clyde went home to be with the Lord on November 15, 1988, and Pat joined him on March 27, 1990. They fought a good fight and were always faithful to their Lord, and their church. They will be sorely missed.

SHARE HIS LOVE

The love of God is broader than earth's vast expanse,
'Tis deeper and wider than the sea.
Love reaches out to all to bring abundant life,
For God so loved the world his only Son he gave.

All those who have trusted in God's only Son,
And hold this precious treasure in their hearts,
Seek ways to make it known to all who need to know
That God so loved the world his only Son he gave.

We show the love of God each day we live,
Reveal Christ's presence in our lives;
And how the Holy Spirit guides us day by day,
For God so loved the world his only Son he gave.

Share his love by telling what the Lord has done for you,
Share his love by sharing of your faith,
And show the world that Jesus Christ is real to you
Ev'ry moment, ev'ry day.

NEWMAN CHAPEL BAPTIST CHURCH HISTORY

Newman Chapel Baptist Church was organized in 1922 with seventeen charter members. The first land was donated by Mr. A.J. Newman. The church building was built by members of the church with some community people helping. The church was named Newman Chapel Baptist Church to show their appreciation to the Newman

family for donating the land.

In 1943, the present property was bought because the church had grown and needed more parking and cemetery space. The old building was sold and later torn down. The first service in the new church was held on Easter Sunday, April, 1945.

As growth took place, more space was needed for Sunday School classrooms. The addition was begun in June of 1962.

Other changes that took place within the church included: the walls under the belfry were removed; some Sunday School classrooms were divided; the ceiling in the sanctuary was lowered to cut the heating costs; a portico was added to the front replacing the semi-circle of steps; and a baptistry was installed.

In October 1980, the church voted to build a pastorium, which was completed in July, 1981. Rev. Alton Dendy and his family was the first family to live there.

Early in March of 1986, work began on the addition of the Educational Building and Fellowship Hall. A month after the work on the new addition was completed, the parking lot was paved.

The church has ordained five ministers since 1920. They include J.I. Vinson, Carl Carpenter, Dale Cannon, Tommy Lamb, and Jason Griffin.

Twenty-one ministers and twenty-one deacons have served Newman Chapel Baptist Church over the years. Through the hard work and dedication of these men, many good things have taken place at the church. God has truly blessed us and is continuing to bless us today.

BURNINGTOWN BAPTIST CHURCH HISTORY

On June 1, 1839, 12 members of what is now First Baptist Church, Franklin, who resided on Burningtown, requested to be dismissed from First Baptist to form a constitution of a new church on Burningtown. These members were Thomas Welch, Jacob Shope, Hester Welch, Isabel Shope, Mary Mashburn, Elizabeth Barnes, Ann Clampitt, Sarah Clampitt, Mary Barnes, Elizabeth Hannah, Orpha Hannah, and Elizabeth Clampitt. On June 15, 1839, these twelve members along with Esther Morgan, Elizabeth Rowland, and Winifred Lovingood met "at the meeting house on Burningtown Creek" for the purpose of organizing a church. Elders or members of the presbytery meeting with them were George F. Caler, Joshua Ammons, James Kimsey and Joshua Hall. From this meeting, these 15 people became charter members of the newly constituted Burningtown Baptist Church. From there the group met as a church in private homes or at the schoolhouse for worship services. The first pastor was George F. Caler and the first deacons were Thomas Welch and Jacob Siler.

There were evidently two separate church groups which met on Burningtown. Recorded in the minutes of December, 1859, there was a consolidation of congregations, which was called the upper and lower houses or evidently the ones which met at the upper and lower schoolhouses. Fifteen members of the upper congregation were joined with the others at this time. The first recorded death of any of the 15 charter members to die was Elizabeth Barnes who died September 13, 1857. The last charter member to die was Elizabeth Clampitt who died April, 1893.

On July 11, 1903, a request was granted for 22 members of the

church to go into a constitution to form a new church on Iotla Creek. These members left Burningtown Baptist Church to form what is now Iotla Baptist Church.

The churches in this area, including Burningtown, during these next years, belonged to and sent delegates to the Tuckaseigee Association. The first meeting on record of Burningtown Church sending messengers to the Macon Baptist Association was September 1. 1904.

On November 11, 1905, the church voted to build a new church on the hill near the cemetery. The church met for the first service in the new church on Sunday, June 9, 1907. The pastor, Elder W.L. Bradley, preached using the text from Psalm 122:1.

On April 12, 1925, the church agreed to build a new church, however there was no mention in the records of this action until December 18, 1927. The action taken was a decision to move the old church off the hill and rebuild it on the present site. Most of the material from the old building was used in the new construction and this structure was used until 1947.

On Thursday June 15, 1939, the church observed their 100th Anniversary. Presiding was John E. Rickman and the devotional was given by Rev. R.F. Mayberry. Other ministers on the program were W.L. Bradley, J.S. Stanbury, P.H. Passmore, C.F. Rogers, G.A. Cloer and N.E. Holden.

In August 1947 the church agreed to build a new church on the same site where the old building stood. On this same date Rev. C.C. Welch was elected as pastor. Church services were held in the Old Burningtown School while the new church was under construction. The new church was completed in 1948 and except for minor changes is till in use by the church today. The latest addition to the church facility is an educational building and fellowship hall which was completed in early 1986 and dedicated on August 3, 1986.

The Burningtown Church buildings and cemetery are located on approximately 5 acres of land and is fronted by Burningtown Creek, making it a beautiful natural setting for a church. In 1989, the church celebrated their 150th Anniversary making then one of the older churches in Macon County. Even though the church is now 151 years old, Burningtown remains an active church both in the Association and the community in which they minister. Twenty-seven pastors have faithfully "shepherded" the church. The present pastor is Rev. Edwin Crisp.

ANNUITY REPORT FOR NORTH CAROLINA

There are now 2,162 North Carolina churches and associations contributing to retirement plans. North Carolina has 1,972 signed Cooperative Agreements! More than any other state! The number of churches participating at the old Plan A level of $33.34 has decreased to less than 100. The average annuitant in North Carolina receives $276.39 per month. North Carolina has 3,436 members making contributions to Annuity Board retirement plans. There are 1,889 annuitants receiving benefits each month in North Carolina - $522,109.84 each month. It's exciting to think about what has been done to help ministers retire with dignity. Strong efforts have been made to make all of our churches (and ministers) aware of the opportunities and the need to act on them. But there is still so much to be done!

Consider these facts: Only 64% of our churches are participating in our retirement plans - even after all these years of opportunity; Of this 64%, many do not actually make contributions. The minister does this on his own; Small contributions make the annuitant's benefits small: In North Carolina 175 receive less than $50, 288 receive less than $100, 544 receive less than $200, 288 receive less than $300; We have 151 churches that have signed the Cooperative Agreement, but still make no contribution; We have 457 churches that are making contributions but still have not signed the Cooperative Agreement.

Suffice it is to say that there is a <u>great</u> challenge still before us to helps ministers prepare for the future and to help churches be responsible employers.

BAPTIST CHILDREN'S HOMES REPORT

For 105 years Baptist Children's Homes of North Carolina has been giving children a chance at life. This year we formalized that phrase into our first state-wide fund-raising campaign.

The "Give a child a chance!" Campaign seeks to raise $11 million over three years to expand Cameron Boys Camp, boost general operating income and increase endowment.

We will also be able to begin a before and after school care program in Davidson County, to give security to children of working couples, who won't have to go home to empty houses anymore.

Some of the new endowment earnings will increase training to help staff deal with ever changing needs among the 1,000 children and families they serve each year.

Baptist Men of North Carolina have agreed to build the new Tommy and Jeanie Eller Chuckwagon at Cameron, saving approximately $75,000 in construction costs.

Children's hopes also were bolstered by the return of the Thanksgiving Offering voted by messengers to the 1989 state convention. While suffering through its 12-year absence, BCH lost more than $1 million in revenue.

In the change from a Homes and Hospital Offering to the Thanksgiving Offering, BCH will go 18 months without a special collection, a period that encompasses more than an entire fiscal year. For the past five years that special collection has meant $400,000 to the ministry, a sum that will be difficult to make up in the 1990-91 budget. Some churches, aware of the difficulty, have promised to begin receiving the Thanksgiving Offering in 1990.

The Cooperative Program continues to anchor our budget planning from the churches. We urge renewed commitment to cooperative giving among our North Carolina churches. It is essential, not only for us, but for the entire missions enterprise built painstakingly for a century and a half. Baptist Children's Homes receives $1.5 million from the Cooperative Program receipts each year. That is the stackpole around which we build our other income planning. A decrease in Cooperative Program dollars to Baptist Children's Homes would seriously jeopardize our ability to care for children.

In August, BCH signed an agreement with Gaston County Department of Social Services to operate two emergency care homes owned by the county. That raises to 11 the number of emergency cares homes BCH operates. That service, in which a child at risk of abuse or neglect can receive shelter right away, is the service most in demand throughout the state. Children stay a maximum of 60 days while BCH works with the custodian to determine a long-term plan of care.

In 1991 BCH will celebrate the 20th anniversary of the founding of Broyhill Home, our westernmost campus, in Waynesville/Clyde. With the help of J.E. Broyhill and his family, the home opened in 1971 on 91 hilly acres. It has capacity for 48 children in group care and for eight girls in emergency care.

Baptist Children's Homes has a 105-year history. But its history is just the knot that ties it to a boundless, unbroken ribbon of promise that stretches beyond the future to wrap children and families with eternal blessings.

Mr. Bruce Bryant

BAPTIST FOUNDATION REPORT

The historical records of the North Carolina Foundation will reveal 1989 and 1990 to be significant in its 70 year history. Organized following action taken at the 1919 Convention and chartered by the State of North Carolina in 1920 as a charitable corporation, the Trustee agency of the Convention has only in recent years begun to have an impact in providing financial support for Baptist institutions and mission causes.

Charged with the responsibility of creating greater awareness among Baptists within North Carolina concerning estate stewardship as a viable and significant means of providing financial support of Christian endeavors fostered by our churches, the Baptist Foundation assists individuals in the establishment of endowment and trust funds. Through these funds, financial support is provided the donor's chosen Christian cause or causes on a continuing basis for years to come, long after the donor's death.

The growth of the Foundation, in terms of assets managed, has been significant during the past few years. Since January 1, 1988, the assets placed under management of the Foundation has increased by over $13 million through May, 1990. This exceeds the asset growth goals in 1986 for a five year period.

Trust income distributed to Baptist institutions and mission causes 1988 and 1989	$1,106,930
Trust income distributed to individuals with Baptist causes named as charitable remainderman during 1988 and 1989	$1,361,836
Assets held in trust and endowment funds as of June 1, 1990 (unaudited)	$26,176,481
Assets held in trust and endowment funds as of December 31, 1989 (audited)	$18,133,634

Gifts of appreciated assets, such as stock and real estate, can be placed in trust to generate income for individuals and then pay income to Christian causes beyond their lifetime. As a result of this unique opportunity to give, older adults are realizing the joy of establishing life income trusts. This plan often provides a significant increase in personal income, by-pass of capital gain taxes, creation of a charitable deduction for income tax and estate taxes, and assures an eventual gift to Christian endeavors.

A new home for the Baptist Foundation was built during 1989 and early 1990. The 6,000 square foot office building was constructed from gifts from individuals and is located on property provided by the Baptist State Convention next to the Baptist Building in Cary. The new facility was occupied in February 1990, and provides much needed space for the work of the staff as well as for conferences and meetings. Baptist groups are invited to use the meeting rooms when in the Raleigh/Cary area. We extend an invitation to church groups to call and arrange a visit to the newest building used for the Lord's service by North Carolina Baptists.

The Foundation employs seven full time employees and operates under the direction of a 20 member Board of Directors elected by the Baptist State Convention.

Edwin S. Coates
Executive Director

BAPTIST HOSPITAL REPORT

"The largest health-science building program ever in North Carolina has changed the landscape on Hawthorne Hill, and the changes continue in rapid succession... One thing that hasn't changed is the institution's tradition for delivery of compassionate health care. That will never change." This statement, from Dr. Charles P. Nicholson, Jr., Baptist Hospital Trustee and Chairman of the Medical Center Board of Directors, is both a report and a commitment.

Another building in this $190 million expansion program has recently been completed and occupied. The Clinical Sciences Building will house most of the Medical Center's ambulatory services, and has been termed a "medical supermarket," where patients may do "one-stop shopping." The building will also accommodate an Ambulatory Surgery Unit, Medical Center Administrative Offices, and other functions. Nearing completion, is the Day Care Center for children of medical center employees. Under construction, is an addition to the MRI (Magnetic Resonance Imaging) Building, and a significant addition to the Patient/Visitor Parking Deck. Construction on the Center on Aging Building is scheduled to begin in early 1991 with the completion date set for the spring of 1993.

The purpose of all these new facilities, according to hospital president, Len B. Preslar, Jr., is to "enable us to respond to patient needs better than ever before." In addition to continuation and improvement of many established procedures, several new diagnostic and treatment programs have been started recently. The Organ Transplant Program added a new dimension when it performed the first single-lung transplant in North Carolina.

Bone Marrow transplants are also being performed now in our Baptist Hospital. A Cranio-facial Clinic, to correct major deformities of the skull and upper face during the first year of life, opened recently. New laser technology provides an improved method for clearing out atherosclerotic deposits in the carotid arteries of the neck. New surgical techniques make possible better treatment of complicated retinal detachment. Orthopedic Surgeons began use of the Ilizarov Technique for the repair and lengthening of broken bones. New approaches are being used effectively in the treatment of children with Cerebral Palsy. Bowman Gray/Baptist Hospital is the only medical center in the nation using and evaluating Cliodean, a non-narcotic pain killer which has proven effective in controlling pain following surgery and for cancer patients.

Through these various services we provided 210,456 days of care for 22,607 patient admissions last year. In addition to these, there were approximately 388,000 ambulatory patient visits in the various clinics, the Emergency Department, the Day Hospital, and in Ambulatory Surgery. These patients came from all across North Carolina and from thirty-four other states. Also the number of patients being referred to us from foreign countries is increasing as the reputation of the Medical Center spreads throughout the world.

The Department of Pastoral Care continues to strengthen its reputation both as a service agency and as a teaching facility. Last year, the department provided more than 29,000 ministries to hospital patients, almost 19,000 services to families, and more than 14,000 services for hospital and church staff members and their families. The Minister's Care Plan, a joint program with the Baptist State Convention, had 1,446 sessions with more than 200 different clergy families last year. The new Missionary Counseling and Support Services Program saw 48 individuals in its first six months. The Divisions of Clinical Pastoral Education/Chaplaincy had 53 students enrolled.

During the fiscal year ending June 30, 1990, the hospital received $692,946.24 through the Cooperative Program and $271,361.24 through the Homes and Hospital Offering and direct gifts. Cooperative Program Funds are used for the Department of Pastoral Care, and other church gifts help to provide Benevolent Care for financially needy patients. The hospital staff and patients are most grateful for this continuing financial support.

BAPTIST RETIREMENT HOMES REPORT

Making life for Older Adults the Best of Time is the continuing goal of Baptist Retirement Homes of North Carolina Inc., which operates four residential facilities for Older Adults around the state - in Albemarle, Asheville, Hamilton and Winston-Salem.

In Asheville, our efforts include a move toward expanding the Western North Carolina Baptist Home. The Board of Trustees of Baptist Retirement Homes applied in July for permission to construct the 60 nursing care beds the state is allocating to Buncombe County in 1990.

State approval of its plans will be the next step toward adding a health-care unit to the facility, a unit offering skilled and immediate nursing care. Currently the only nursing care provided by Baptist Retirement Homes is the 85-bed nursing-care unit at Brookridge Retirement Community in Winston-Salem, the newest facility operated by Baptist Retirement Homes.

Around the state, the other homes face a promising year.

In Winston-Salem, Brookridge Retirement Community celebrates its first birthday in 1990. It is the largest of the facilities, providing five levels of care - independent living in garden homes, independent living in apartment, and assisted living, intermediate nursing care and skilled nursing care in its health-care unit - to 350 Older Adults.

The facilities in Albemarle and Hamilton provide assisted living in a residential setting to 30 Older Adults each. Both programs are greatly enhanced by the strong support of the surrounding community and its churches. The Brotherhood, WMU and senior adult clubs at many nearby churches provide fellowship, entertainment, skills and physical labor, household needs - whatever they see are needed by each home.

The Albemarle Baptist Home also offers respite care for those families who care for an Older Adult and need some time away from that responsibility. The cost of the care is paid by the family, and it provides overnight care for whatever length of time the family needs.

It, and other alternative forms of residential care for Older Adults, are additional ways being explored by the Homes to meet the growing needs of Older Adult Baptist population in this state.

Please pray for our ministry.

Roy Rickman

THE BIBLICAL RECORDER REPORT

We need your help!

Never in the history of Southern Baptists has there been a time of more conflict and tension, much of it based on misunderstanding or a lack of correct information. As never before, we need informed Baptists to make the right decisions for the Kingdom's work in the name of Christ.

The most important thing facing us at this point is to get the Recorder into more Baptist homes than ever before. Your support as a subscriber and reader and your encouragement to others will enable the paper to better serve the constituency with accurate and helpful information delivered to Baptist homes and churches.

Baptists must have a single source of news and information upon which to make decisions and evaluate ministries. The Recorder is that source; nothing else matches the paper as a single source of news, information, inspiration, and challenge in our missions efforts together.

In order to save churches large amounts of money and to increase the readership of the Recorder, Church News Service (CNS) has been launched in 1990. This system lets any congregation have their church newsletter incorporated into the Biblical Recorder which saves staff time, postage and printing costs. Usually, for

less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation.

The paper will focus more and more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry, where they are and to the ends of the rapidly changing world.

Never has God given Baptists a greater opportunity; never have there been as many difficulties and obstacles to overcome. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed.

That is why the Recorder was born; that is why it serves today.

Of the 45 churches in Macon Association, 8 churches take the BIBLICAL RECORDER with a total subscription of 166.

BROTHERHOOD REPORT

This year the Brotherhood Commission did not submit any new programs. They feel that we have enough programs, but need to work harder on the programs that we have in effect now.

The North Carolina Baptist Mens' Medical Bus is in operation. If we have a need for the bus, it will come to our county. The bus has a dental chair, a screening room and an examination room. Money is still needed in order to pay for the bus. Donations may be sent to the Brotherhood Office in Cary.

The North Carolina Baptist Men and the Polish Project is in full swing. Several teams have gone on two week stays. The work trips for this year are all taken, but there are openings for next year. If anyone can go, contact the Cary Office for details.

The Board did decide that the Associational Brotherhood Directors and RA Directors need to take more of the training that is made available and are having more sessions this year. The cost of these training sessions is $35.00 per person. This included 3 meals, room and cost of materials. We feel since the Directors must take time off from work that the Churches should cover expense. These training sessions are a great benefit to every Church and to the Directors as they meet and fellowship with Brotherhood Directors across the state. It is important to know what other Associations are doing to promote God's Work. Brotherhood Director Training is scheduled as follows: August 10-11 at Caraway Conference Center; August 17-18, Lay Witness at Caraway; the Baptist Men's Conference is January 18-20 at The First Baptist Church in Winston-Salem (the cost of this meeting is approximately $125.00 per person and the Church should bear this expense); February 15-16 Lay Witnessing Conference at

Caraway.

RA Directors' training is as follows: September 21-23, RA Counselors Campcraft training at Caraway; October 13-14, Pioneer/High School Baptist Young Men Officers and Leaders training at Caraway. Other training sessions will follow. Again, we encourage each Church to send Men and Boys to these training sessions to improve our part in God's Work.

The Brotherhood Board asks that each Church send Lay People to the State and National Southern Baptist Conventions.

In our Association, we have added some Brotherhood units which we are grateful. Let me encourage the Churches that do not have Brotherhood to start units.

If I can be of any help, please give me a call anytime. Home - (704)524-8019; Work - (704)369-8186.

1990 ANNUAL REPORT
CHRISTIAN ACTION LEAGUE OF NORTH CAROLINA, INC.

The last 12 months have been eventful ones in the ministry of applied Christianity.

LEGISLATIVE ISSUES

1. GAMBLING

As this report is being prepared the battle is still on concerning a state-wide lottery. The gambling industry is well-staffed with its personnel and lobbyists who relentlessly pursue their interest among the members of the General Assembly. Legislators are constantly barraged by one of them to "let the people vote" to put the state into the gambling business.

2. DRUNK DRIVING

Proposals from Governor Jim Martin and even a Legislative Study Committee that would really toughen our drunk driving laws seem to be tied up in a House-Senate Conference Committee. Some well-known Senate defense attorneys are determined to keep anything of real substance from passing.

The pending legislation calls for:

a. The lowering of the breathalyzer blood alcohol level from .10 to .08;
b. The banning of open containers of all alcoholic beverages in motor vehicles;
c. Increasing the civil revocation of drivers' licenses from 10 to 30 days; (North Carolina is the only state in the nation with less than a 30-day loss of driving privileges for registering a .10 or above on the breathalyzer.)
d. Increasing the fines for being convicted of drunk driving; (In 1947 the minimum fine was $100, and it is still the same 43 years later.)

3. ABORTION

a. Because of the outstanding work of Representative "Skip" Stam of Wake County, the House voted to reduce the state's abortion fund from $400,000 to $100,000. These remaining funds could not be used for abortion as a means of birth control. They could only be utilized for abortion when the mother's life is endangered, or in cases that result from rape or incest. However, the Senate voted to leave the funding at its current rate, so the measure is now tied up in a conference committee.

b. A parental consent proposal overwhelmingly passed the House requiring a parent's approval before an abortion could be performed on a minor. (Such consent is required before a school official can give an aspirin to a student, but such consent is not required for a minor to receive an abortion.) But it appears that the Senate will not approve this measure.

4. MISCELLANEOUS

Other legislative proposals such as raising the tax on alcoholic

beverages, requiring the teaching in public schools of sexual abstinence outside of marriage to combat the teenage pregnancy problem, and making the possession of child pornography a felony were considered but were side-tracked by the Senate. Incidently, the tax on beer has not been increased in North Carolina since 1969. This reveals how strong the beer lobbyists are.

CHURCH AND COMMUNITY ASSISTANCE

In the past year, the League has successfully assisted in alcoholic beverage campaigns in places such as Hertford County, Pamlico County, Concord, Lumberton, Manteo, Randleman, Waynesville, etc. in their efforts to defeat various referenda such as liquor-by-the-drink and beer-wine sales.
We have sought to keep the Christian community informed on moral and ethical issues through our publication Tomorrow, and through speaking in churches, pastor's conferences, and civic clubs. Thank you for your prayers and financial support in our ministry of applied Christianity.

CHRISTIAN HIGHER EDUCATION REPORT

WHAT IS THE QUESTION?

A Baptist preacher once entitled his sermon, "If Christ Is The Answer, What Is The Question?" The sermon had three points. "How can I live with myself?" "How can I live with others?" How can I live with God?"

Your Baptist colleges attempt to confront students with life's most important questions:

What is the purpose and meaning of the created order?
How will I spend my one life?
How should I measure success?
How much is enough?
How can I best serve God and my fellow human beings?

The best gift churches and parents can give to their youth is a college education where Christian people are seeking answers to truly important questions. The Baptist college experience provides challenges and opportunities for young people to become whole, healthy persons both intellectually and spiritually. People who can think clearly about life, including faith and vocation, are the kind of persons needed to establish homes, grow churches, and build a better world.

TRIPOD

Dr. S. L. Stealey, the late founding president of Southeastern Baptist Theological Seminary, once said, "The Tripod upon which Baptists have been based more than one hundred years of progress has been MISSIONS, EVANGELISM, and EDUCATION. To shorten one leg of this tripod is to endanger the whole." This is a statement all Christians should ponder.

North Carolina Baptist colleges are guided, as are the churches and the Convention, by historic Baptist principles:

- The authority of the Scriptures and the Lordship of Christ.
- The competence of the individual and the priesthood of believers.
- The autonomy of the local church and cooperation in Christian service.
- Freedom of religion and a free church in a free state.

The enduring ties between Baptist colleges, Baptist churches, and the Baptist State Convention help to guarantee the tripod's balance and a healthy spirit of partnership in the Gospel.

COOPERATIVE PROGRAM REPORT

Since the formation of the Southern Baptist Convention in 1845, Southern Baptists have rallied around missions. In 1925, we gave the name "Cooperative Program" to the way Baptists choose to work together to share the gospel. Our Baptist forefathers knew that few, if any, congregations would have the funds, the personnel, or training to reach all the world alone. If would take cooperation. It would take all churches working and giving together.

Can you imagine trying to reach the world without the Cooperative Program? Certainly not! By our Cooperative Program giving we will be able to enlarge our witness at home and abroad.

What is the Cooperative Program?

. The Cooperative Program is the life line of Southern Baptist mission work.

. The Cooperative Program supports more than 3,800 missionaries as they serve in over 110 countries in the world.

. The Cooperative Program helps us to proclaim the gospel to over 167 million lost people in the United States.

. The Cooperative Program undergirds over 14,000 students in our six seminaries.

Without giving through the Cooperative Program there are thousands, perhaps even millions who will never hear the gospel message of the Lord Jesus Christ or see the reality of Jesus in the lives of others.

The Cooperative Program will only work as well as each of us do our part to be faithful to the Lord. It's my desire that each of our 45 churches in Macon Baptist Association will grow in giving through the greatest mission effort in history, "The Cooperative Program!"

Ed Trull

DIRECTOR OF MISSIONS REPORT

My family and I have committed our lives to the service of our Lord. The transitions have not always been easy. However, His blessings have been tremendous. We are happy to be serving our Lord through serving you in the Macon Baptist Association. Thank you for the sacred trust you've shown in calling us to this opportunity of ministry. We pray that we shall always represent you well and bring glory to God throughout our land.

These last seven and one-half months have been the most challenging and exciting of my life. God's presence and guidance has been so evident in all that has happened. The pace has been difficult. Much was expected and much has been done. I have learned so much about so many opportunities and challenges. Our Here's Hope Simultaneous Revivals and World Missions Conference were both very successful events. God moved across our association in a mighty way as our people responded to the challenge and invitation of His inspired servants. Many of you committed your lives to Christ in specific ways during these events. Providing opportunities for each of you to develop in those commitments is our commitment and challenge. God summons us as individuals, churches, and associations to fulfill His mission and purpose.

God has given us a vision for our association. Many of you have expressed that same vision. I pray for wisdom to lead in such a way as to bring that vision to reality. We, as an association, are on the verge of entering a totally new era. YOU are NEEDED in order for this dream to come true. However, I believe that several other needs must be met before this can happen.

We need to understand what the association is. The association is a fellowship of churches on mission in their setting. Historically, the association was born out of the need for mutual support or fellowship among churches. Churches are autonomous or independent but they should also follow the Biblical pattern of interdependence or cooperation as well. The bottom line is that we need each other. Later, as associations developed, missions became an emphasis. Matters of faith and practice were handled at the associational level among the fellowship of churches. Just as no church member is an island unto himself but needs others in order to fulfill God's purpose and mission, every church needs the fellowship and support of others churches in association to accomplish our task. Thus,

every church is important and is desperately needed within the participating framework of our association. Each church has a voice and responsibility. The association is what the churches make it.

We need to understand the purpose of our association. What is our reason for existence? What is our purpose? What does God want us to accomplish together where we are? We would never doubt that God has a purpose for every person's life. Likewise, God has a purpose for every church and association. Discovery and definition of that purpose will set the direction of our energies, resources, gifts, and abilities toward the fulfilling of that purpose. Proverbs 29:18 states, "Where there is no vision (reason for existence, prophecy), the people perish." The statistics of our churches and association over, at least, the last five years have shown a lack of vision. In many cases, we have not even remained on the plateau but have declined. No one church can do all God expects in our land but we can do together what we cannot do alone.

We need to emphasize our similarities, the things we have in common, rather than our differences. We must separate the trivial from the vitally important. This takes wisdom and commitment! Let's dwell on our common purpose and mission God has shown us in Jesus Christ. Every individual and church must be free to seek and follow what each believes God's mission to be. God created us unique. We cannot be exactly alike. Our differences in size, manner of worship, traditions, and needs serve to reveal our need to be interdependent on one another. We must find unity in the midst of diversity. Jesus chose disciples that were very different from one another but, in Jesus, they found unity, fellowship, and purpose.

We need to learn to trust. This is the essence of faith. We may understand what the association is and why it exists or even acknowledge our differences, but without trusting one another, we shall never experience the fullness God has in store. Trust is the basis for any long-term and successful relationship. Trust must be a two-way street in order for all to experience its power to bring fellowship. Openness of communication and honesty in relationships are the results of trust. Even the worst of disagreements can be resolved in an atmosphere of love and trust. Our fellowship and support will never rise above our ability or level of trust. We must practice trust through example before we can preach or teach the essence of faith. Trusting must begin with each person and move from there through the church and association.

Our ministry in Macon Baptist Association will be directed toward helping us understand what the association is and why it exists, helping us discover and dwell on our similarities rather than our differences, encouraging our strengths instead of our weaknesses, working to enhance our fellowship and raise our level of trust, and challenging our pastors, churches, and members to step out in faith and travel where we have never gone before.

God has blessed our association with so many gifted individuals. I feel privileged to serve with each of you. With the challenges and opportunities ahead, we each feel an overwhelming excitement and a sense of anxiety. Looking at our plateaued or declining situation, let's make the commitment to turn this around. We need your input concerning your needs in order for us to better provide solutions to our problems. Helping

you get from where you are to where you want to be cannot be accomplished through our guesses or assumptions. We need your help. We must work together!

Our prayer is for many fruitful years of service together. No one can do this alone. We really need each other as we labor together with God.

Lester Evans, DOM

DISCIPLESHIP TRAINING REPORT

Discipleship Training enjoyed a good year last year. Some new groups were organized and some old ones strengthened, but many churches are still doing work which is not being counted. Many do not realize that training occurs when teachers, deacons, etc., are being equipped for their job.

Five children participated in the Children's Bible Drill. We should have many more children in the Drill with many more churches sending children.

We look forward to a greater year with more people being discipled.

Mary Powell, Director

EVANGELISM REPORT

Evangelism is the doctrine and preaching of evangelical principles. Evangelical means maintaining the fundamental doctrines of the Protestant faith, to be spiritually minded and do the will of the Lord. Therefore, evangelism should start in the heart of the pastor and spread to every person who is a member of one of the forty-five (45) churches in our association.

This past year there were sixteen (16) of our churches who participated in the "Here's Hope" Revivals with one hundred and twenty two (122) rededications and fifteen (15) new professions of faith.

This past year the association participated in a One Day Soul-Winning Workshop with fourteen (14) churches represented and forty-one (41) people present.

For this coming year we hope to have a Lay Evangelism School so our pastors and laypersons can be certified to teach Lay Evangelism.

Our association has help and information. When we seek we shall find. If we knock it will be opened unto us.

Respectfully submitted,
Rev. Roy Lindsey, Chairman

FOREIGN MISSION REPORT

Today, many of the traditional areas of missionary service are becoming even stronger in the challenge. Several facing issues that affect the work of the church are economic problems of inflation, unemployment, terrorism, human rights, violations, natural disasters, and drugs.

Global strategies for reaching the world require a sacrificial level of personal commitment and involvement.

According to the Foreign Mission Board: - 5.1 billion people share this planet. - 1.3 billion haven't heard the gospel. Established in 1845 the Foreign Mission Board is the overseas mission channel for the Southern Baptist Missionaries assigned to more than 115 countries. Support of this ministry is through the Cooperative Program and the Lottie Moon Christmas Offering.

Approximately 5% of Seminary - Trained Southern Baptist serving in Church related ministries have answered God's call to

Foreign Missions. Just in this past year Baptist work has moved into 135 cities previously untouched by Baptist. The Southern Baptist Association sent 310 new missionaries and more than 10,000 short term volunteers abroad in 1989. Medical missionaries and their workers treated almost 1.4 million patients. In comparison to 1988, 227,437 new believers were baptized, this was a 14.9% increase.

According to FMB President Keith Parks: "Southern Baptists need to know that the spiritual human, and financial resources they are investing in foreign missions are being multiplied and utilized by God's Spirits in a significant way".

Missions must be creative and flexible to meet today's obstacles and challenges to ministry.

HOME MISSIONS

The Home Mission Board has reinforced its commitment to reach the goals of Bold Mission Thrust in these next ten years, namely that there be 50,000 congregations proclaiming, winning, and baptizing 500,000 people per year and that there be 5,000 home missionaries on the field by the year 2000.

The Here's Hope Revivals of this past spring were participated in by approximately 80% of the churches. A final statistical report is not available at this time but we hear many exciting results were experienced. The special emphasis of People Search, Scripture distribution, and Promotional announcements helped much in exposing communities to opportunities for worship and revival.

New church starts remain one of the major goals of the Home Mission Board. Although our need isn't as great in Macon Association, many exciting and encouraging reports of new church starts were given in the Southern Baptist Convention's Home Mission Report in New Orleans in June, 1990.

Budget items were readjusted this past year to accommodate a short fall in the Annie Armstrong Easter Offering. The Board is still able to operate in the black with the Board looking to God with gratitude for all He has provided. The Board encourages all Baptists to exercise the power in prayer for the ministry objectives of your Home Mission Board.

Rev. Steve Reeves

LBJ JOB CORPS CENTER
CHAPLAIN REPORT

On December 1, 1989 The Chaplain Assistance was established at the LBJ Job Corps Center. On that date I assumed my duties as Chaplain of this great center. This ministry has given me the greatest opportunity I have ever had to serve the Lord. Each day

brings a new challenge.

In these few short months great things have happened here at the center. Many have come for Christian counseling. We now have in place a weekly Bible study. This is exciting.

So many have had a part in this ministry for which we are so grateful. We cannot name every one, but we just want to say thanks to each one who has, and still are having, a part in this work. Churches all over Macon County have this ministry on their prayer calendars. We are so grateful for your prayers and concern.

Last, but not least, I want to thank the Director of Missions of Macon Baptist Association for his help and prayers in this ministry.

Respectfully submitted,
Charles Carpenter

MACON BAPTIST ASSOCIATION HISTORY
1989-1990

The annual for the Eighty-sixth annual meeting of Macon Baptist Association was dedicated to the Rev. and Mrs. Cecil Frady in appreciation of their services to Macon Baptist Association. He retired effective December 31, 1989, after nineteen years of service.

The annual was also in memorium to the Rev. Howard Willis who was serving as chaplain of Angel Community Hospital at the time of his death. He had also served as Director of Missions, and had served as pastor of Liberty, Pine Grove, Oak Grove, Oak Dale and Mashburn Branch.

ANNUAL MEETING

The Eighty-sixth Session of Macon Baptist Association opened Thursday, August 17, 1989, at 7:00 p.m., at West Franklin Baptist Church. The theme for the annual meeting was "Going, Sowing, Reaping" and the scripture reference was Psalm 126:6. The meeting began with piano meditation by Terry Henson, call to worship by Moderator Melvin Brooks, and Spurgeon Freeman leading the hymn "Wherever He Leads, I'll Go." The Rev. Clifford Patterson, Pastor of West Franklin, welcomed the group, read the scripture, and led in prayer.

The Rev. S.J. Waters, Chairman of the Missions Search Committee, reported that after careful and prayerful consideration of all possible candidates, and confident of the leadership of the Holy Spirit, this committee recommend the Rev. Lester Evans for the position of Director of Missions beginning January 1, 1990, when the resignation of the Rev. Cecil Frady becomes effective. Motion was made and seconded that the recommendation of the search committee be accepted. When the vote was taken there was a discrepancy between the number of votes cast and the number of registered messengers, so the moderator called for and received unanimous standing vote in support of the Rev. Lester Evans if he agreed to accept the position.

The Rev. Cecil Frady was presented with a plaque in appreciation of 19 years of dedicated service and leadership to Macon Baptist Association. A love gift of $3,299.39 was also

presented to him and Mrs. Frady, and they received a standing ovation from those present.

The statistical report showed 143 messengers, 12 associational officers, 21 visitors and one State representative, present, and 37 churches represented.

The Rev. C.O. Vance, interim pastor of Cowee, brought the sermon and gave the benediction at the close of the first session at 9:25 p.m.

The second session opened at 3:55 p.m., August 18, 1989, at Iotla Baptist Church with Terry Henson at the piano and Spurgeon Freeman leading the hymn "Lord, Lay Some Soul Upon My Heart." The Rev. Steve Reeves, Pastor of Iotla, welcomed the session, read scripture and led in prayer. It was reported that the Rev. Lester Evans was seeking God's will regarding the decision to the position of Director of Missions, and he had requested the Association to also be much in prayer that the right decision be made. After allowing time for additional prayer requests, the Rev. Tommy Madden led in prayer. The statistical report showed 80 messengers representing 27 churches, 7 associational officers, 3 State representatives, and 24 visitors present for the afternoon session. The Rev. Tommy Madden, Pastor of Sugarfork, brought the message, followed by an alter prayer for the Director of Missions decision led by Mr. Cliff Cook, and grace for the evening meal by the Rev. Ronald Owens, Pastor of Higdonville. A delicious meal was served by Iotla Baptist Church.

The night session opened at 6:55 p.m., with piano meditation by Terry Henson, and Spurgeon Freeman leading the hymn "Bringing In The Sheaves," and scripture and prayer led by the Rev. Steve Reeves. Following the committee reports, the installation of officers was held and special music was presented by the Macon Baptist Association Choir. The Rev. Stephen Wall, Pastor of Mount Hope, brought the message. The incoming moderator, Rev. Herbert Gibson, Pastor of Highlands First, thanked the outgoing Moderator for a job well done, challenged the group, and gave the benediction at the close of the annual meeting at 9:15 p.m.

SEMINARY EXTENSION REPORT

Seminary Extension in Macon Baptist Association has a bright future. Macon Baptist Association has been certified as a Seminary Extension Center. As we are planning for a new year there are exciting new opportunities in Seminary Extension. We hope to begin offering courses in the near future that both pastors and lay persons can benefit from. These courses can be applied to a new program in Seminary Extension in which a student can earn a college level diploma from one of our Southern Baptist Seminaries.

It is our hope that through Seminary Extension we can offer continuing educational opportunities for our people and give them a goal to work toward. The ultimate goal is to offer all participants more opportunities to serve more effectively in their respective ministries.

Respectfully submitted,
Rev. Davis Hooper

STATE MISSIONS REPORT

Starting a new church using 90 volunteers making 20,970 telephone calls, taking literally the Bible verse; "I was in prison and you came unto me," beginning a church in an inter-racial neighborhood of single mothers living on government assistance, confronting the cults with both force and friendship, organizing a church with a food and clothing center, and providing scholarships for deserving North Carolina Baptist Colleges.

All of these may seem unusual church ministries, but actually they are not. They are everyday, every week, every month realities in places near where you live. They are State Missions, in the strictest sense of that word "Missions" and the people equally dedicated, trained, committed and resourceful as found on any other mission field.

State Missions is a partnership with real people experiencing hopes, failures, frustrations and joys. State Missions has changed these people's lives so they may, in turn, help change other people's lives. State Missions is a partnership with churches, associations, but most of all a partnership with you, North Carolina Baptist who make it possible through your prayers, concern and financial support.

SUNDAY SCHOOL REPORT

I would like to begin my report by giving a special thanks to all who have so faithfully worked in Sunday School in all the churches throughout Macon Association this past year. I know of no greater way, as a lay person, to serve our churches than to teach God's word.

In the coming year Sunday School work will become more of a challenge to each of us. The desire of the world calls of Sunday as a day of leisure and entertainment; God's desire is for His

people to be in His house on His day to train ourselves and worship Him.

My hope is that not only Sunday School workers but our pastors would especially promote Sunday School work continually this year. Statistics, even gathered on facts, are nothing but past records. Our future begins right now in Sunday School work. With 45 churches working, praying, and fellowshipping together in a spirit of unity, 1990-91 will bring a great year in all our churches. I am so glad to report that all 45 churches have an ongoing Sunday School program.

Yours in Christ,
Jim Campbell
Associational SS Director

TRUETT CAMP REPORT

We had two weeks of girls' camp this year with eleven girls accepting Jesus as their Savior and numerous rededications were made. A good time was had by all. Lisa Dean was director and Donna Lakey was her assistant.

We had a very good music week again this year with J. Gilbert as director. Six people were saved and other decisions were made.

We will have two weeks of Boys' camp again this year and we're looking forward to this. Aud Brown will be over this camp.

We will be starting our new building this fall. It will be a big challenge to us all to support this project. All of our associations have information on the building.

We are grateful for the churches in Region 10 for your prayers and support for the camp. We hope you will support it through your church budget or by any means that you can.

We are trying to minister to the people in our region and beyond in a spiritual sense as well as physical. Worship and Bible study have always been a major part of the camp program.

Please send us your children and make plans for an outing if not a weekend retreat at your camp.

VACATION BIBLE SCHOOL REPORT

What a terrific year to be a part of Vacation Bible School. We started in March with a Pre-planning Conference for Pastors and church VBS Directors. Materials were displayed, ideas were shared, and we all got excited for VBS 1990.

On March 8 the Associational VBS Team traveled to Brevard for regional training. We gathered ideas and learned how to conduct our local clinic, which was held March 29 at Franklin First Baptist. This was an exciting and rewarding time for all 110 persons in attendance, representing 20 churches. Churches recognized for Achievement in 1989 were - Distinguished: Aquone, Cowee, Coweeta, Iotla, Liberty; Advanced: Franklin First, Newman Chapel, Ridgecrest, Tellico; Merit: Black Mountain, Buck Creek, Cartoogechaye, Mount Hope, Pine Grove, Sugarfork, Walnut Creek, Wells Grove. We had a total enrollment for 1989 of 2425 with 41 professions of faith and 386 new prospects.

Thank You for allowing me the opportunity to be a part of the work that our great Association has to offer each of us.

Praise the LORD--We're learning to Love each other.

Respectfully submitted,
Diane Keener
MBA VBS Director

WOMAN'S MISSIONARY UNION REPORT

The Woman's Missionary Union of Macon Baptist Association has carried out our theme for the year "In His Name: Reach, Teach, and Touch."

The year began with leadership training at Fruitland Bible

Institute for all age groups. The training provided a lot of "how to's" for the year. In September we were able to share the "how to's" with the WMU leaders from the different churches. A group of excited ladies went out to serve their churches after the training.

As a result of their excitement, two churches added WMU to their programs. Aquone and Briartown are both doing great with their WMU organization.

Some of the most meaningful things that have happened this year has been in Mission Action/Personal Witnessing. All of you gave more than 400 crossword puzzles and/ or game books for Christmas packages for the women at the Correctional Center in Raleigh. We have participated in two witnessing seminars as well as the showers for Moody Home and the on-going food collection for Care-Net.

The highlight for the year was our Annual Meeting held in April at Iotla Baptist Church. The 85 people who attended heard Gene and Prissy Tunnell share experiences from their time of service in Home and Foreign Missions. The Acteens from several churches did the prayer calendar which helped to give special emphasis for their year of recognition.

Join your WMU to reach, teach, and touch in His Name.

Respectfully Submitted,
WMU Director
